Suggestions

1. Reviews should not exceed 700 words.
2. The review should include a brief summary of the book's contents and intended readership; provide historiographical context; evaluate the book's strengths and weaknesses and assess its overall significance for the history of science and/or technology.
3. If the review is of a collection of essays or a symposium volume, please assess the contribution of the volume as a whole
4. If, for any reason, you find yourself unable to provide a review in a timely fashion, please contact us at your earliest convenience so we can seek an alternate reviewer.
